

Opus **800**

Ideal for where power to the kitchen is limited, the OE8020 has four 3.5kW induction zones. The Opus 800 4 Zone Induction Hob delivers 90% efficiency compared to 55% with a solid electric hot plate and 50% with a gas hob. Designed to suite with Opus 800 series and available with Opus 800 stands and pedestals, the hob is suitable for any busy commercial kitchen, large pubs and restaurants, large hospitals, school canteens, care homes and high volume production kitchens. The hob features an automatic pan detection function which cuts power when no pan is present, preventing harm to users and saving energy at the same time. Built to last, it also comes with multiple internal cooling fans and overheat protection.

PRODUCT OPTIONS AND ACCESSORIES

- OA8956/C Lincat Opus 800 Free-standing Floor Stand with Castors - for units W 800 mm
- OA8956 Lincat Opus 800 Free-standing Floor Stand with Legs - for units W 800 mm
- OA8974/C Lincat Opus 800 Free-standing Pedestal with Doors and Castors - for units W 800 mm
- OA8974 Lincat Opus 800 Free-standing Pedestal with Doors and Legs - for units W 800 mm

PRODUCT FEATURES

- Four 3.5kW, 270mm width induction zones
- Ideal for where power to the kitchen is limited
- Automatic pan detection function cuts power when no pan is present, preventing harm to users, while saving energy
- Multiple internal cooling fans and overheat protection for long service life
- Easy to change filter built into the base of the unit
- No open flames so no radiating heat - reduce ambient temperature of kitchen for a more comfortable working temperature
- Delivers 90% efficiency compared to 55% with a solid electric hot plate and 50% with a gas hob
- Designed to suite with Opus 800 series and available with Opus 800 stands and pedestals
