DESCRIPTION

- Ventilated heated display case designed to keep your hot dishes at the perfect serving temperature.
- Even heat (20°C to 90°C) thanks to the Incoloy heating element and integrated fan.
- Water tray for humidity control, keeping baked pastries and hot snacks moist.

HOW TO USE

- Preheat the display case to your desired temperature before placing your dishes for optimal heating.
- Strategically arrange food on glass shelves for maximum visibility and accessibility.

CARE INSTRUCTIONS

- Clean glass and stainless-steel surfaces regularly
- Check the water tray to ensure optimal food preservation.
- Removable parts (doors, shelves, water pan) for a thorough clean and perfect hygiene.
