DESCRIPTION

- Self-serve ventilated heat-up display case designed to keep your hot dishes at the perfect serving temperature.
- Even heat (20°C to 90°C) thanks to the Incoloy heating element and integrated fan.
- Water tray for humidity control, keeping baked pastries and hot snacks moist.

HOW TO USE

- Preheat the display case to your desired temperature before placing your dishes for optimal warm keeping.
- Use the water tray to prevent pastries and snacks from drying out.
- Strategically arrange food on glass shelves for maximum visibility and accessibility.
- Opening on 2 sides for self-service

CARE INSTRUCTIONS

- Clean glass and stainless steel surfaces regularly to maintain a flawless presentation.
- Check the water tray to ensure optimal food preservation.
- Removable components (4 doors, shelves, water tray) for a thorough cleaning and perfect hygiene.
