NEWS

Varimixer AR30, AR40 and AR60
now with magnetic removable
safety guard front....

....and magnetic removable
safety guard rear

REMOVABLE SAFETY GUARD

Quickly installed without the use of any tool. The guard is fixated by magnets which simultaneously acts as safety switch. Choose from a stainless steel guard with a CE approved plastic front with a filling chute and a stainless steel grid guard and stainless steel rear - this version is not CE approved.
